

# victim care & advice service

Providing independent, confidential advice & support to people impacted by crime & anti-social behaviour in the Cleveland area.

## VCAS provides:

- Emotional and practical support to victims of crime and anti-social behaviour
- A person-centred approach to aid recovery from the impact of crime
- Assistance to understand and navigate the criminal justice system
- Call blockers for landlines to reduce scam and nuisance calls
- Scam awareness inputs
- Onward referrals and signposting to other services
- Support whether you have reported the crime/incident to Police or not

## We accept:

- Self-referrals
- Referrals from the Police
- Referrals from other organisations/ third parties
